

Krakow in Numbers 2006

KRAKÓW

MUNICIPAL
OFFICE OF
KRAKOW

City Strategy
and Development
Department

This brochure constitutes a collection of numerical data concerning every aspect of the functioning of the City of Krakow during the years 2003–2006. The most important information was selected from each domain – the full version may be found in the annual City Status Report (polish version), available in book form (from the City Strategy and Development Department of the Municipal Office of Krakow) and on the Official „Magic Krakow” website (<http://www.krakow.pl/gospodarka>).

We sincerely hope that the presented publication constitutes a valuable source of information on Krakow, and that it is helpful to its inhabitants as well as to anyone interested in our city.
