

KRAKOW IN NUMBERS 2007

This brochure includes a selection of the most important data which present how the City of Krakow functioned in 2007 in a broad scope of areas. Comprehensive information and details of the issues presented here can be found in the "Report of the City's Condition", published annually by the City Strategy and Development Department of the Municipality of Krakow (available both as hardcopy and in digital form).

Please feel free to look through publications of the City Strategy and Development Department:
